As Manning Wolf knows all too well, you never forget your first crush. Years ago he lost his heart to sweet, brainy Taylor Chastain. When a devastating tragedy forced them apart, Manning went on to become the powerful CEO of a biotechnology company. He's got the world at his feet and can have any woman he wants...except the one he loved and lost. When a chance encounter brings him face-to-face with Taylor, Manning swears that fate has smiled upon him. His shy childhood sweetheart is now a captivatingly beautiful woman who takes his breath away. He wants the famed violinist back in his life—and in his bed. But ghosts from the past still linger, and it doesn't help that Taylor has a boyfriend. Manning must convince her that they belong together, or risk losing her forever. But as their rekindled attraction ignites into a scorching affair, he can only wonder...who's seducing whom? "Once you've dived in with both feet, falling in love with this couple and watching them on their journey back to each other is riveting, endearing, and addictive" — USA Today
