## **The Bliss of Ignorance** Jonathan X Turner

It's rare to find a book that is so shocking in its revelation and yet so consoling at the same time. Turner takes us on a journey of discovery as he revisits the line of reasoning that brought him to a recognition of his basic ignorance. He describes in methodical detail how he came to realize that he simply had no idea what he was. In doing so, he challenges our most fundamental ideas about ourselves and reveals our inability to attain any certainty in our search for absolute truth. The author goes on to describe the blissful life of one who no longer has any delusions about what they know and explains how much simpler and more joyful life suddenly becomes when the obsessive search for truth is abandoned. This is not a book of worthy but tedious ramblings about abstract philosophical ideas with no connection to everyday life. It is the expression of a radical viewpoint that pushes us towards a transformation in the way that we view our very being and the apparent lives that we live. If this compelling book fails to shock and intoxicate the reader, it is most likely because its implications have not been fully understood. This work has the potential to overthrow a lifetime of conditioning, to liberate the mind from its shackles and to point the way towards the end of suffering.

### From reader reviews:

#### **Betty Hood:**

What do you about book? It is not important along? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do that. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need this The Bliss of Ignorance to read.

#### **Robert Thompson:**

Nowadays reading books be than want or need but also turn into a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want truly feel happy read one having theme for entertaining for example comic or novel. Often the The Bliss of Ignorance is kind of reserve which is giving the reader unpredictable experience.

#### **Kelli Valverde:**

Many people spending their time frame by playing outside with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by examining a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like The Bliss of Ignorance which is having the e-book version. So , why not try out this book? Let's see.

#### **James Valenzuela:**

Reserve is one of source of knowledge. We can add our knowledge from it. Not only for students but native or citizen want book to know the revise information of year to be able to year. As we know those publications have many advantages. Beside most of us add our knowledge, also can bring us to around the world. Through the book The Bliss of Ignorance we can have more advantage.
