SPECIAL OFFER

\$2.99 (Regularly priced: \$4.99)

Harper Lee seamlessly weaved a wonderful coming-of-age story of a child and an explicit depiction of society's social problems. Told through the eyes of the feisty Scout Finch, the story was set in the Southern United States in the 1930's where racism was as common as a cold. The novel is packed with admirable and memorable characters.

This novel remained the only book Harper Lee published for more than five decades but proved its value to American literature by becoming a favorite classic and making Lee one of America's beloved authors. This is also one of the top choices of many teachers for studying societal issues. This Pulitzer-winning novel is a must-read.
