A Woman's Worth: A Novel (Strivers Row) Tracy Price-Thompson

Embracing the shattered pieces of the soul and championing the resilient nature of the heart, *A Woman's Worth* takes readers on a journey of startling depth. From a speakeasy whorehouse in the bottoms of Alabama to a luxurious high-rise apartment in Kenya, acclaimed author Tracy Price-Thompson crosses boundaries of sexuality, gender, and culture to accentuate the core of black identity: the enormous strength of family.

"Ain't nothing like a Black man. No other man on the face of the earth can hold a light up to him, coming or going. Why do you think women are all the time chasing behind them? Smooth game and all, when a brotha loves you, he loves you right."

—from *A Woman's Worth*

Abeni Omorru is a stunning Kenyan woman who is haunted by piercing memories. Although her father's wealth ensures her a life of prestige, childhood trauma has left her emotionally damaged and sexually promiscuous. While Abeni takes on many lovers, none come close to healing the wounds of her heart—and only a man who understands her worth can truly claim her soul.

Bishop Johnson is also haunted by his past. Raised by prostitutes in a rural Alabama town, he is a promising teenage boxer—until his dreams are shattered when his parents are murdered during a violent robbery and he takes revenge on the perpetrators. Bishop goes to jail, and when he is released he has a volatile temper and a mean left hook to back it up.

Trouble continues to find Bishop, and he is forced to leave Alabama and travel to Kenya with the Peace Corps. There he falls in love with Abeni, and they marry. When Bishop learns the secret of Abeni's past, he is forced to make a decision that may cost him more than one man should ever have to sacrifice.
