Our bodies teach us about God, and God communicates to us through our bodies. Our bodies are more *good* than we can possibly imagine them to be. And yet at times we may struggle with feelings of shame and guilt or even pride in regard to our bodies. What is God trying to do through our skin and bones? In *Embracing the Body* spiritual director Tara Owens invites you to listen to your thoughts about your body in a way that draws you closer to God, calling you to explore how your spirituality is intimately tied to your physicality. Using exercises for reflection at the end of each chapter, she guides you to see your body not as an inconvenience but as a place where you can meet the Holy in a new way?a place to embrace God's glorious intention.
