The Lost Art of Talking: Enlightenment for Everyone (Ninja Notes) (Volume 11) Anson Ross Thompson

7 years of writing, 7 years of getting up and daily penning my thoughts. These are my early writings. They can be found in other books, but I thought I would save my readers some time and bundle them in one place. It's like a greatest hits or deep cuts package put out by famous musicians. In a few years, I will laugh at the simple nature and construction of these "muses", but for now, it's the best I can do. So, enjoy my reader. Sit back, grab your coffee, tea, or fine wine and crack open my Opus. My early Opus containing most of my early writings. There will be more, I'll write every day I'm able some days out performing others, but words will be formed into stories, thoughts, and ideas that hopefully, ever so hopefully will impact others and maybe even YOU.
