Bill Burnett

The Peak Interview - 3rd Edition: How to Win the Interview and Get the Job Bill Burnett

Win the job interview using an approach that leverages insights from a Nobel Prize winning psychologist along with discoveries by behavioral economists and neuroscientists. Fundamentally, once you've got all the basics right such that your baseline interview will be perfect, then you need to build three peaks on top of that baseline. Those peaks will define how the hiring manager evaluates the quality of the interview. With the third edition the author has added a few additional insights and practices that enhance your ability to win the interview. For the past two years Bill Burnett has been advising CEOs in transition and they have repeatedly used The Peak Interview techniques to land their next leadership role.
