## **Wake** Abria Mattina

Eighteen isn't too young to run your life into the ground, but it's not too old to fix it, either. The desire for change drives Willa Kirk from St. John's, Newfoundland back to her hometown of Smiths Falls, Ontario, away from her mistakes and the place where her sister died. She's looking for a place to settle and rebuild, but Jem Harper just wants to get out of town, back to the life he knew before cancer. By letting the tragedies in their lives define them, they are both dying a little more every day. Welcome to the wake.
